

INSTRUCTIONS FOR WEARING ACADEMIC HOOD

- 1 Put hood on over head with velvet side up and with small tapered end in front.
- 2 Before closing gown, loop cord on front of hood over shirt/blouse button to keep hood from riding against wearer's neck.

- 3 Secure the cord across the back of the hood to keep the hood together. **DO NOT WRAP THE CORD BEHIND THE HOOD.**
- 4 Turn out lining colors as illustrated. Illustration shows a Doctor Hood. Master and Bachelor Hoods are smaller but worn in the same manner.
