

ADMISSION AND TRANSFER INTO PL-BSN PROGRAM POLICY

The Admission and Transfer Policy accompanies an application for nursing admission. This Policy includes eligibility; admission and transfer requirements; Testing requirements; and, selection process.

The AMC PL-BSN program admission and transfer criteria are detailed in the most current *Anna Maria College Academic Catalog*, along with the *Anna Maria PL-BSN Nursing Student handbook* that also includes policies specific to admitted and enrolled students in the program.

Nursing Program Requirements

Students accepted into the nursing major will be required to:

- take and pass a criminal background check,
- provide documentation of immunizations recommended for healthcare workers in Massachusetts, undergo drug screening; and,
- meet core performance (Essential Functions) standards for nursing students.

According to the Board Licensure Policy 00-01, any individual convicted of a felony or misdemeanor conviction, and/or who has been disciplined by a licensure/certification body must be evaluated by the Board to determine an applicant's compliance with the "good moral character" licensure requirements established at Massachusetts General Laws, Chapter 112, section 74 and 74A. Individuals convicted of certain criminal convictions are permanently excluded from nurse licensure in Massachusetts. Further information may be found on the Massachusetts Division of Health Profession Licensure's website (<http://www.mass.gov/eohhs/gov/departments/dph/programs/hcq/dhpl/>).

College Health Immunization Policy

In accordance with Massachusetts Board of Registration in Nursing regulations, candidates for admission to the nursing education program must provide satisfactory evidence of compliance to the Anna Maria College Health Office with the immunization requirements specified by the Massachusetts Department of Public Health. Failure to provide all required documentation may exclude the nursing student from clinical practice. Clinical immunizations are listed within the AMC Nursing Student handbook. (See, Nursing Program Clinical Health and Immunization Requirements)

In compliance with policies of the Massachusetts State Board of Nursing, nursing applicants must be aware that completion of the BSN degree does not guarantee admittance to the registered nurse licensure examination (NCLEX-RN).

The satisfaction of all the above does not guarantee admission.

Admission and Transfer

All courses in the PL-BSN curriculum plan must be taken as scheduled in the published plan; therefore, students will need to take additional courses or semesters if an evaluation of their transcript indicates that they are not in compliance with the published curriculum plan. Students must complete the PL-BSN program within six (6) consecutive academic years.

All candidates for admission or transfer into the Anna Maria College Pre-licensure BSN (PL-BSN) program (direct admission freshmen, internal and external transfers) will be evaluated by the Admission Office to validate that they are in full compliance with the following *AMC PL-BSN Admission and Transfer Policy* requirements.

To be considered for admission to the PL-BSN Nursing Program, the following documents must be submitted to the College Admission Office:

ADMISSION (Freshman Admission)

1. Satisfactory evidence of graduating from high school or having earned a GED or HiSET certificate. High school seniors may apply to the nursing program by submitting all other required documents; letter of recommendation, and an Essay. Although a preliminary acceptance may be offered, the student cannot matriculate into the College for the nursing major until proof of high school graduation has been received.
2. An official high school transcript that validates that the candidate has completed the following:
 - 4 units in English;
 - 3 units in mathematics;
 - 2 units in social science;
 - 2 units in laboratory science;
 - 2 units in a language other than English, is recommended.
3. Official score results from either the ACT exam, SAT exam or the ATI Test of Essential Academic Skills, (most current edition of the TEAS exam). The required scores to be considered for admission to the PL-BSN program are:

Students who have either an ACT Composite score or SAT section score below the minimum acceptable scores must take and score proficient (58.7% minimum) or higher in the ATI Preparedness Category on the TEAS exam.

Course Exemption and Transfer of Credit Policy

General Education Course Exemption

The general education course exemption policy can be found in the most current *Anna Maria College Academic Catalog*, the information states that Transfer students with 30 or greater transferrable college credits (as evaluated by the Anna Maria College Registrar's Office) but fewer than 60 transferrable college credits may be eligible for first year General Education exemptions. Transfer students with fewer than 12 credits in transfer will be required to take AMC100. Students with an earned Bachelor's degree from a regionally accredited institution who are pursuing a second Bachelor's degree may transfer in up to 90 credits. Regardless of the number of transfer credits, all major requirements will need to be satisfied.

Students are required to complete the following courses with a grade of C or higher. Course Exemptions for nursing majors will NOT be granted, they are:

- General Psychology (**3 credits**)
- Freshman Composition (**3 credits**)
- Writing through Literature (**3 credits**)
- Human Lifespan Development (**3 credits**)
- Introduction to Sociology (**3 credits**)
- Applied Statistics/Quantitative Analysis (**3 credits**)

Students granted course exemptions will be required to complete the total number of program credits for the degree.

Transfer of Credit

Anna Maria College generally grants transfer credit for courses taken at other colleges or universities that correspond to or are comparable to those offered at Anna Maria College. Courses taken at the remedial level, usually designated by a course number that is less than at the 100 level (e.g. 090 level) will not be accepted in transfer. AMC reserves the right to require transfer students to successfully complete ENG103 and/or ENG 104 and any additional first and second year General Education course(s), if needed for the major.

A grade of C- or better must be earned to be considered for transfer (exceptions include C or better in courses deemed equivalent to AMC100, ENG103, and ENG104) unless the applicant has an earned Associate's Degree and/or completed 60 credits or more elsewhere. In such cases credit will be granted for courses completed for which a passing grade was earned. Anna Maria College does award transfer credits for College Level Examination Program (CLEP) exams.

Courses beyond those that are currently in progress at the time of acceptance will not be accepted in transfer. All courses taken after an applicant has been accepted can only be taken at Anna Maria College or must have prior approval from the respective Program Dean or Chairperson.

Nursing Program Criteria for Acceptance of Transfer Courses

The official transcript and the course description applicable to the time the student took will be reviewed by the Admission Office to validate course equivalency to the Anna Maria College course(s). In order to be approved for transfer credit the following criteria must be met:

1. The course must have been completed at a regionally accredited College or University.
2. The course description, course content, and syllabi (if needed) for the course must be equivalent to the Anna Maria College courses.
3. The AMC PL-BSN nursing program has minimum acceptable grades for all science and select general education courses. The official transcript must validate that the student meets the criteria:

a. Science Courses:

The AMC PL-BSN program requires that to be accepted for transfer by the nursing program a minimum grade of "C+" is required. **Only one science course may be repeated once, and a withdrawal is considered as one unsuccessful attempt to pass a course.**
